

**Kills Parvo**  
**Kills Ringworm**  
**Kills Bacteria in 60 seconds**

# Pets & Vets

## Disinfectant Technology

**SNiPER™** is a registered disinfectant targeting the most harmful germs but not people, animals, nor the environment.

**SNiPER™** is a **Parvocide hospital disinfectant** and cleaner able to fulfill many responsibilities in one product. **SNiPER™** does not mask odors or produce a fragrances or scent. Simply eliminate the odor breaking down biological contamination at the odors source. **SNiPER™** is ideal for using around people or animals with allergies or with immune deficiencies.

**SNiPER™** odor removal is effective against the most powerful odors, even skunk odor and cat urine.
